

CHAPTER SEVENTEEN

OTHER MAJOR COMMITTEES OF THE UNIVERSITY

The Committees given in this Chapter represent the other major Committees of the University in which members of the Ordinary Faculty play significant roles.

Most meetings of University Committees are open to visitors with an interest in the activities of the Committee. An individual interested in the operation of any Committee is encouraged to contact the Chairperson of the Committee for more complete details.

Wherever an individual is listed by administrative title, that person holds the position *ex officio*. It is presumed that all members of a Committee have voting and proxy assigning privileges, unless it is specifically prohibited.

A committee member who has a conflict of interest in a subject matter under the jurisdiction of a committee shall recuse himself/herself or may be recused by the Committee Chair from voting, and voting shall be by secret ballot.

Faculty and staff members serving on college or university committees, especially those tied directly to Academic Affairs, are expected to represent the views of their constituents in discussion and voting, and submit brief written reports on relevant committee business and initiatives directly to their respective college Dean, chairs and directors at least once each semester.
