

Criteria for Gauging the Quality of Your Assessment Sections

Exemplary

Contains SLOs
Contains assessment of SLOs
and program performance

Higher quality assessment

1. Systematic
2. Data is directly relevant to the program
3. Methodologically sound
4. Demonstrates direct use of results in decision-making

Acceptable

Contains SLOs
Contains assessment of SLOs
or program performance

Lower quality assessment

1. Inconsistent
2. Data is indirectly relevant to the program
3. Room for methodological improvement
4. Demonstrates indirect use of results in decision-making
