In 2008 Fall definitions for new race and ethnicity categories were implemented by the National Center for Education Statistics (NCES).

\* Continuous enrollment: Students with registered hours in the fall semesters. If a student is absent from one fall semester, he/she is out of the study-hence, the term continuous enrollment. (Exception: Disney College Program)

\*\* Initial Cohort: First-time, full-time, degree seeking traditional freshmen.

Does not include those students with major = IEP and degree = UND.

**Note: Full-time/part-time status for returning students is not a factor in this report. Data as of 09/27/2013.**

In 2008 Fall definitions for new race and ethnicity categories were implemented by the National Center for Education Statistics (NCES).

\* Continuous enrollment: Students with registered hours in the fall semesters. If a student is absent from one fall semester, he/she is out of the study-hence, the term continuous enrollment. (Exception: Disney College Program)

\*\* Initial Cohort: First-time, full-time, degree seeking traditional freshmen.

Does not include those students with major = IEP and degree = UND. Denotes data unavailable due to H. Katrina.

Note: Full-time/part-time status for returning students is not a factor in this report. Data as of 09/27/2013.
