* Continuous enrollment: Students with registered hours in the fall semesters. If a student is absent from one fall semester, he is out of the study-hence, the term continuous enrollment.

** Initial Cohort: First-time, full-time (registered hours > or = 12), degree seeking freshmen (entry action from FA-FJ; changed from FA-FJ because traditional admits are FA-FJ). This includes all manually converted (UX) students.

Does not include those students with major = IEP and degree = UNDD.

¹ Due to Hurricanes Katrina and Rita, students with an admit term of 05M/05F and admit-type of FA - FJ in 06S are counted as the entering cohort for 05F. However, the entering class term will be 06S since the population was derived from the 06S term file.

Note: Full-time/part-time status for returning students is not a factor in this report. Data as of 09/15/2006.

* Continuous enrollment: Students with registered hours in the fall semesters. If a student is absent from one fall semester, he is out of the study-hence, the term continuous enrollment.

** Initial Cohort: First-time, full-time (registered hours > or = 12), degree seeking freshmen (entry action from FA-FJ; changed from FA-FT because traditional admits are FA-FJ). This includes all manually converted (UX) students.

Does not include those students with major = IEP and degree = UND.

¹ Due to Hurricanes Katrina and Rita, students with an admit term of 05M/05F and admit-type of FA - FJ in 06S are counted as the entering cohort for 05F. However, the entering class term will be 06S since the population was derived from the 06S term file.

Note: Full-time/part-time status for returning students is not a factor in this report. Data as of 09/15/2006.
