

## CHAPTER TWELVE

### FRINGE BENEFITS FOR FACULTY

This chapter outlines fringe benefits available to the members of the full-time faculty and administrators of Loyola University New Orleans, unless specifically mentioned otherwise. Loyola is committed to offering a competitive benefit package as a part of the total compensation of faculty and administrators. University benefits are reviewed regularly and revisions occur frequently. The Employment Benefits Coordinator can be contacted for additional explanation of benefits. This summary is a matter of information only. The official plan document takes precedence. It does not constitute a contract between Loyola and the recipient to provide these specific benefits. ## **OTHER BENEFITS**

### **Parental Leave Policy for Faculty<sup>1</sup>**

Paid parental leave is time off from work for the birth or adoption of a child, or the assignment of a foster child. Full-time faculty members at the University will be entitled to eight weeks paid parental leave at full pay or 16 weeks at half pay (~~or 16 weeks at half pay~~). This equates to a half-time semester release at full pay or a full semester release at half pay.

Because parental leave is foreseeable, faculty must ordinarily provide at least 30 days advance notice and must seek the concurrence of the dean and department regarding such logistics as course coverage, supervising majors, and committee assignments, as well as approval by the provost and vice president for academic affairs. When the leave allows for advance planning, the curricular obligations of the faculty member on leave should be accommodated by creative scheduling such as team teaching, rescheduling classes, course load adjustment, or cancellation of classes. Faculty may address appeals of these decisions to the University Conciliation Committee. When curricular responsibilities remain after all of the options listed above are utilized, part-time faculty may be hired to cover those responsibilities. Future course reductions for departmental colleagues who take on a significant portion of the teaching duties of the faculty member should also be considered.

Paid parental will begin at such time as may be determined by the University and the full-time faculty member. Such leave must commence and conclude within a 12-month period beginning with the first day leave is used. Paid parental or maternity leave will run concurrent with Family Medical Leave Act (FMLA) leave entitlement if the faculty member is entitled to FMLA leave. "

Upon completing and submitting to the Office of the Provost the Tenure Review Extension Form – Parental Leave, a tenure track faculty member who becomes the parent of a child (either by birth or adoption), shall be eligible for an automatic one-year extension of the probationary period for tenure. This automatic extension, however, may be waived if the faculty member so desires and so indicates by selecting the appropriate
