

CHAPTER SIXTEEN

COMMITTEES OF THE UNIVERSITY REFERENCED IN THIS *HANDBOOK*

The committees given in this chapter represent the major committees of the University in which members of the Ordinary Faculty play significant roles.

The committees listed in this chapter are referenced in this *Handbook*. It is part of the contractual status of the Ordinary Faculty (see Chapter 6, Section A) that the extent of faculty participation on these committees shall not be diminished, in either relative nor absolute terms, nor shall changes in the purposes of the several committees of Chapter Sixteen be made without the advice and consent of the Senate. Changes in the duties of the various committees will not be made without the advice and comment of the Senate.

The relevant University official may alter the non-faculty personnel on any given committee without recourse to procedures specified in Chapter 14 of this *Handbook*.

If a University official appoints an additional non-faculty person to a committee, the University Senate has the prerogative to appoint an additional faculty representative if it chooses. A University official is defined as anyone identified by non-faculty title on any committee described in this chapter, e.g., “director”, “Vice President”, etc.

The appointive officer for each committee shall be responsible for notifying the *Faculty Handbook* Revision Committee of any changes made in non-faculty personnel so that the *Handbook* can be accurately updated.

Most meetings of the University committees are open to anyone with an interest in the activities of the committee. The date, time, place agenda of meetings and committees shall be posted and/or published reasonably in advance of such meetings but no less than three days prior thereto. Posting and/or publication of this notice shall be made in accordance with policy adopted by the University Senate. An individual interested in the operation of any committee is encouraged to contact the chairperson of the committee for more complete details.

Whenever an individual is listed by title, that person holds the position *ex officio*. It is presumed that all members of a committee have voting and proxy assigning privileges, unless these are specifically prohibited.

A committee member who has a conflict of interest in a subject matter under the jurisdiction of a committee shall recuse himself/herself or may be recused by the Committee Chair from voting, and voting shall be by secret ballot.

Faculty and staff members serving on college or university committees, especially those tied directly to Academic Affairs, are expected to represent the views of their constituents in discussion and voting, and submit brief written reports on relevant committee business and initiatives directly to their respective college Dean, Chairs, and Directors at least once each semester.
