Source: "Enrollment to the Web" File. Data as of 9/30/26. In 2022 Fall a new ERP system was implemented. Programs were recoded into the new format. Prior year enrollments will be off slightly 2014F to present. Much of the change is from non-degree programs and City College recoding.

Note: Beginning Fall 1995, data does not include students who withdrew prior to the Official Stat date. Beginning 2014F, Graduate full-time Headcount is calculated at 6 registered hours or more.
